Please be informed that **Mineral oil - Heavy** is regulated by the

- (a) Pest control Products Act
- (b) Food and Drug Act
- (c) Chemical and Containers Regulations of the H.P.A.
- (d) Is not regulated

and as such does not fall under any of the guidelines or criteria constituting a “controlled product” as specified by the Hazardous Product Act and the Controlled Product Regulations. It is therefore not a W.H.M.I.S. controlled product and does not require a Safety Data Sheet.

For further information regarding this product, please contact RW Quality department.
